ACCOMPANYING LABELING: Folders entitled "Controcal Promotion Kit."

RESULTS OF INVESTIGATION: The article was manufactured by Milk Proteins, Inc., and sent to Barrington, Ill., for packaging. The accompanying labeling was printed at Omaha, Nebr., on order of Milk Proteins, Inc.

LIBELED: 4-19-61; amended libel 5-1-61, E. Dist. Mich.

CHARGE: 502(a)—while held for sale, the labeling accompanying the article contained false and misleading representations that the article was adequate and effective to promote full, vigorous health, promote growth in boys and girls, prevent decline in health, excessive fatigue, and susceptibility to colds and other contagious diseases; and 502(f)(1)—the labeling failed to bear adequate directions for use for the purposes for which it was intended, namely, in losing, maintaining, and gaining weight, and in controlling weight.

The article was alleged also to be misbranded under the provisions of the law applicable to foods, as reported in notices of judgment on foods.

DISPOSITION: 2-20-62 and 2-26-62. Default—delivered to a charitable institution.
